PROFIL

I am a third-year student in an engineering school and I am looking for a 2-year work/study training program starting in October.

EDUCATION

Engineering School, CESI, Aix-en-Provence

October 2022 - Present

Admitted to the third year of the computer engineering program through an work/study training program

CPGE TSI, Lycée Antonin Artaud, Marseille

September 2020 - July 2022

Preparatory Classes for Engineering Schools (CPGE TSI)

Baccalauréat, Lycée Saint-Louis, Gignac-La-Nerthe

September 2016 - July 2020

Received Baccalauréat in the STI2D SIN field, with honors (mention bien)

PROFESSIONAL EXPERIENCE

IT, TEA MARSEILLE

During the last few months, I have developed tools in VBA and Python to simplify daily tasks for users and automate certain recurring actions.

Intern, ATOS

Assisted an engineer for a week, which allowed me to understand the role and importance of an engineer within a company.
